

## Jo Schepers

I started very early with dogs, at the age of 15 with working in Kennels, cleaning, brushing dogs, and on a very young age clipping and trimming all kind of breeds.

The first kennel I worked was a special poodle kennel, later I worked in a very big kennel, over 100 dogs of several breeds, Giant schnauzers, smooth and wire Foxterriers, Welsh terriers, and a lot off Poodles in several colours and sizes, and Persian cats.

After winning some poodle clipping contests, I was employed in a very exclusive dog parlour shop in Cologne, a lot of work and very expensive.

In all these years I handled 54 Champions in different breeds, varieties and colors.

All these years I was learning for my education for beying a judge.

And I did my first exam in 1981, for poodles, and I passed my exam, so this year I am a judge for more then 30 years.

Since then I am judging all over the world, just back from South Africa, now going to Japan, and everything in between just like Umag now.

I love your country very much, was our holiday destination for a lot of years, and love to come back again.

Počeo sam vrlo rano s radom sa psima, u dobi od 15 godina, radeći u uzgajačnicama. Prvo sam kupao i češljao pse dok sam poslije šišao i trimao razne pasmine.

Prvo sam radio u uzgajačnici Pudli dok sam poslije prešao u veliku uzgajačnicu, sa preko 100 pasa raznih pasmina ( Veliki Šnauceri, Kratkodlaki i Oštrodlaki Foksterijer, Velški Terijer, Pudle u svim varijetetima i bojama i perzijske mačke)

Nakon pobjede na nekoliko natjecanja za uređivanje Pudla zaposlio sam se u ekskluzivnom salonu za uređivanje pasa u Cologne gdje sam zaista mnogo radio.

Izlagao sam 54 šampiona u različitim pasminama, veličanama i bojama.

Također sam kroz ove godine učio i studirao pasmine za sudačke ispите. 1981.godine sam položio Pudle što znači da sam sada sudac već 31 godinu.

Od tada sam sudio diljem svijeta, upravo sam se vratio iz Južne Afrike, zatim idem u Japan pa posvuda uokolo i do Umaga. Zaista volim vašu zemlju, bio sam i na godišnjem kod vas godinama i uvijek se rado vratim.
