

Boris Žužić

Prvo upoznavanje sa Kinologijom došlo je 70.ih godina u Umagu prilikom održavanja Međunarodnih manifestacija gdje sam kao pratioc vodio baterije i kinološke suce.

Tu se realizirala ljubav prema psima i Kinologiji. Tad sam upoznao iskusne vodiče (Botto, Girandola) i druge, te vidio sigurno izuzetno dobre pse.

Kad sam napunio 18 godina položio sam lovački ispit te imao sreću da sam prisustvovao sa nepunih 19 godina na prvenstvu Svijeta koje se održavalo na terenima Umaga, Novigrada, Buja i Brtonigle.

Nakon toga počinjem uzgajati i pripremati pse za manifestacije. Imao sam čast postići šampionat sa 8 njemačkih ptičara kratke dlake i to 3 u radu i ljepoti i 5 u radu.

Godine 1983 položio sam sudački ispit. Prva sudačka iskustva imao sam na našim manifestacijama (Istra, Zadar, Drniš) također sam sudio na talijanskim manifestacijama (Brescia, Verona, Padova).

Do današnjeg dana aktivan sam u Kinološkom društvu « Istarski gonič » Buje –Umag gdje se svake godine održavaju ispiti i smotre za naše kinologe i njihove ljubimce.

I was firstly introduced with cynology in 70es during the International shows in Umag where I was responsible for taking care of batteries and cynological judges. That was the place where my love towards dogs and cynology was realized. I had an opportunity to meet experienced handlers (Botto , Girandola) as well as to see really good dogs. When I turned 18 I passed the hunting exam and I was lucky that I attended with almost 19 years of age the World Championship which was held on the Umag, Novigrad, Buje and Brtonogla fields..

After that I began to breed my own dogs and to prepare them for various events. I had the honor to achieve 8 championships in German short haired pointers out of whose 3 were in work and beauty and 5 in beauty.

I passed my judging exam in 1983. Firstly I judged only on our shows in Istria, Zadar and Drniš but later I also judged in Italy (Brescia, Verona, Padova). To this day I am active in the Kennel Club "Istrian Hound" Buje-Umag where every year exams and various events for our cynologists and their pets are held..
